1060.05. Location of yard waste, solid waste and recycling containers; hours of collection; removal of containers.

Solid waste and/or recycling containers and/or yard waste containers, which will be picked up by Public Service Department employees from residential sites of generation, shall be placed between the sidewalk and the curb (adjacent to the street) on designated collection days, which shall be specified in the rules and regulations prepared by the Public Service Director and approved by Council. The schedule shall provide one collection weekly. The solid waste and/or recycling containers shall not be placed between the sidewalk and the curb (adjacent to the street) prior to 4:00 p.m. of the day preceding the scheduled

collection day. No later than 7:00 a.m. on the day following the collection day, the solid waste and/or recycling containers shall be promptly removed from between the sidewalk and the curb (locations adjacent to the street) by the owner, resident, tenant, lessee or occupant.

676.02. - Unlawful deposits on public and private property.

Yard waste and other debris cannot be deposited into the street or other right of way.

**Including Leaves*

Recycling

Convenient "single stream" recycling means no sorting - service is available to single family households in the City of Lansing. Commercial recycling service also available to businesses in Lansing.

Trash

Household trash collection options include:

- Convenient, heavy duty roll out trash carts
- Blue city trash bags
- Bulk item collection for items over 30 pounds and/or longer than 4 feet, such as appliances and furniture.

Yard Waste

Curbside collection is available for leaves, grass clippings, tree trimmings and other organic yard waste materials. Items are picked up weekly on a seasonal basis between April and November.
