

City of Lansing Marijuana Update

March 16, 2020

Starting tomorrow, Tuesday, March 17, the Lansing City Clerk's Office will be again be accepting applications for another 30 day window. The only update from the February 28th Update is that we have added **Adult Use Retail at existing Provisioning Center and the Provisioning Center at existing Adult Use Retail** types for this window. See full schedule below.

Please be aware that the Mayor Andy Schor has declared a local State of Emergency in Lansing in response to the novel Coronavirus (COVID-19) Pandemic. The Lansing City Clerk's Office will be closed for non-essential business for the duration of this emergency. We will accept applications online and payments, but not reviewing them immediately.

Also, the City of Lansing has yet to reach the limit set by the Ordinance for the number of grow locations city-wide. The City Clerk can license up to 10 more grow locations for either adult use, medical, or both. Therefore, applications for **growers will be accepted.**

The enrollment period windows for the rest of 2020 is posted. These 30-day periods are subject to change, but the Clerk's Office will provide as much notice as possible if any adjustments are made.

Revisions made in the enrollment period compared to past updates schedule are in **red**.

Online submission is required for all types of Marijuana Operation applications. Paper applications will not be accepted.

Application review will not begin until non-refundable payment is received.

The Lansing City Clerk's Office has provided the following links on the web page <https://www.lansingmi.gov/1674/Marijuana-Operations-Applicant-Information> to assist with submission.

As you review the General Instructions, please note the importance of reviewing the submission confirmation email, and that elements of the business plan need the documents to be split into specific sections to expedite the review process. You may need to upload the same attachment to multiple sections of the application as the City Clerk will only review the documents submitted for each category.

Additional documents cannot be submitted once an application is denied.
